Dear Columbus Families,

Every morning, I ask myself if the life I am currently living is a dream, or reality. Leading a school of Columbus' stature is an enormous responsibility and the highest honor. I have had the pleasure of meeting many of you in person, or in the virtual world, via welcome emails accompanied by beautiful family pictures. For the next few months, I am taking in information through personal observations, conversations with parents, staff, and most important, students. However, this does not mean issues needing immediate action will go unaddressed. I am grateful for the chance to work alongside Jennifer Scanlan, who will be returning to Columbus part time as our Curriculum and Instruction Site Director. We will be sharing her talents and expertise with Wolfpit School. I want to take the time to publicly acknowledge our custodian, Jeffrey Tunin and his staff, for their hard work over the summertime and beyond. I look forward to working with and supporting them in their efforts to maintain a very clean building. Finally, I am very happy to work with Susan Mathews. She is indispensable to me and crucial to the efficient management of our school. Again, welcome back, or if you are new like me, welcome! You can always reach me at (203) 899-2840, or email; thomasm@norwalkps.org

*Sincerely,
Medard Thomas, Principal*
